

Transparency return 2019

Applications, offers, acceptances and registrations: 2018-19 entrants

Please enter your applications transparency information below. If you are copying and pasting from the data collection tool, please remember to use 'Copy Definitions' for all fields are available on the 'Definitions' tab.

Please ensure that your workbook has passed validation before uploading.

Nil returns:

If you are a postgraduate-only provider, then you will need to submit a nil return to confirm that you had no relevant applications.

Are you making a nil return?

Your workbook has passed validation.

Validation check	Outcome	Details		
1 Nil return check: data entered, else return has been confirmed as a nil return.	Validation passed			
2 All three totals down each column should be equal.	Validation passed			
3 We would not expect any of the following: offers made to be greater than applications; offers accepted to be greater than offers made; or students registering to be greater than offers accepted.	Validation passed			
<table border="1"><tr><td>No response required</td><td></td></tr></table>			No response required	
No response required				
4 Please ensure that data has not been rounded before being entered into the table.	Validation passed			
<table border="1"><tr><td>No response required</td><td></td></tr></table>			No response required	
No response required				

5 Registered students in the unknown gender category. Validation passed

6 Please provide the link to the webpage where you intend to publish the data in the box below. Validation passed
